What if I told you Utah's new Medical Examiner might be jewish & likely has

jewish kids?  
What if I told you she was also hired by a jew?  
What if I told you she was hired around the same time Josh Hammer began keeping tabs on Charlie Kirk?  
What does it all mean?

CHARLIE KIRK BOMBSHELL UPDATE: ISRAELI IP ADDRESSES Conducted Unique Google Searches on "Deidre Amaro," "Charlie Kirk," and "Josh Hammer" in close proximity in the spring of 2024.

Amaro: March 21, 2024

Kirk: May 10, 2024

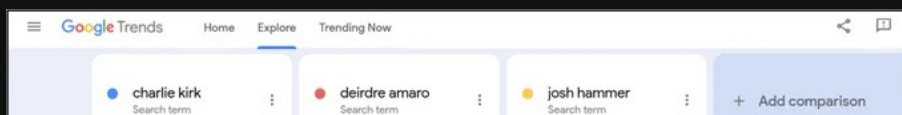

Hammer: May 17, 2024

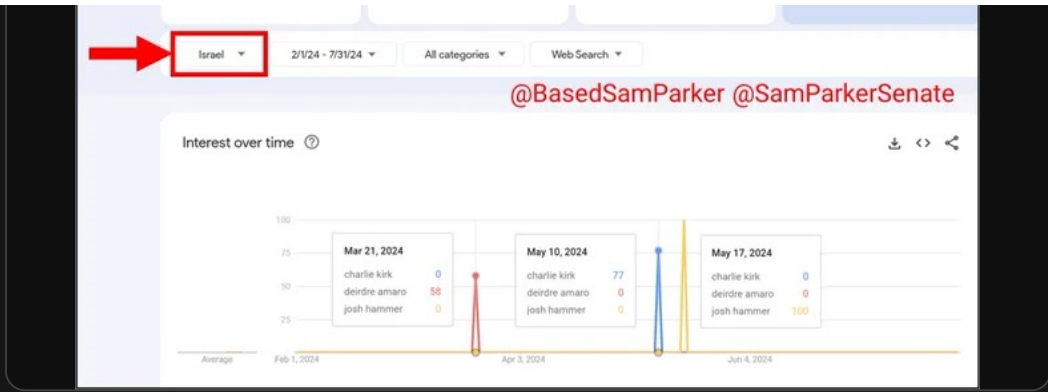

- Dr. Deidre Weiss Amaro (possibly 🇺🇸) was subsequently hired as the Utah State Medical Examiner on May 14, 2024, by Dr. Michelle Hofmann (🇺🇸)
- Josh Hammer (🇺🇸) recently revealed he started closely collaborating with Charlie Kirk about "a year and a half ago," which would be around April of 2024.

Questions:

- Why was anyone in israel interested in Dr. Deidre Amaro in March of 2024?
- Who put Utah/Dr. Michelle Hofmann onto Dr. Deidre Amaro and when?
- Was Josh Hammer assigned as Charlie Kirk's handler in the spring of 2024? Is that why they trended together in israel on those dates? Is that why Hammer started closely associating with Kirk then?
- Was a parallel "contingency plan" also underway should Hammer fail to wrangle Charlie Kirk back firmly onto the "israel First" plantation?

It says they start searching the surgeons around the middle to late July.

This is right around the time Charlie was getting a lot of backlash for having Tucker on.

Everyday it's looking more and more like they did it.

- July 12: Intense activity around TPUSA summit. Posts accused Kirk of platforming Tucker Carlson, who implied Israel-Epstein links; audience polls showed half agreeing. @afpost @healthranger Critics called it a "turning point" against Israel support on the right. @propandco Kirk affirmed support for Israel with Carlson before Epstein discussion. @vzveel Accusations of Kirk transforming the right into an "antisemitic cesspool." @aynreagan Israeli figures criticized Kirk for enabling "drive!" @emilykschrader Tucker attacked as "Qatar shill and Israel hater." @keith70519776 Kirk accused of "bouncing" on Israel stance. @ewtastic Dave Smith booed for criticizing Israel's Gaza actions as anti-pro-life. @dd\_geopolitics Kirk condemned for platforming Carlson, called "antisemitic blood libels." @efischberger

- July 13: Israeli minister lectured Kirk on U.S. politics. @gc22gc TPUSA hosted Russell Brand (boycott Israel supporter) and Anna Paulina Luna (end Israel aid). @aynreagan Open letter to Kirk urging him to combat antisemitism. @amichaichikli Sarcastic post: "Honesty from Charlie Kirk who sold out to Israel? Impossible." @itsmorganariel
