In January of 2016, three Black Women claimed they were jumped, beaten, and called racial slurs by a group of "Racist White Men."

Campus rallies were immediately organized.

One problem. The Bus's Surveillance Video...

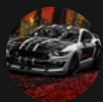

Turns out it was the THREE BLACK WOMEN who did the attacking.

What a shocking twist! 🤯

THAT is th PROBLEM! People hear or see something post by someone's view point and think its the truth. Only to discover it was a twisted lie and the same person they were defending was actually the A-Hole! Know the FACTS! Not just one side! Video doesnt Lie!

Jussie Smollett, the actor accused of staging a hate crime hoax, has had his conviction overturned five years after he was first arrested.

Not actually shocking at all. False reports by blacks of being discriminated against, attacked, called names, etc. are becoming commonplace & are for attention, sympathy, profit & to keep the 'free stuff' paid for by working taxpayers coming!
