This UN paper basically says that Jews should push mass migration in the West, because demographic mixing makes clear ethnic targets harder to identify, and reduces the risk of future pogroms or a Holocaust.

Exactly what Brett Stephens says in the video below...

The Future of Holocaust Education:
The Role of Global Citizenship and Human Rights Literacy

by Professor Zehavit Gross, Chairholder, UNESCO Chair in Education for Human Values, Tolerance and Peace, School of Education, Bar-Ilan University

The unanimous adoption by the United Nations General Assembly of Holocaust Remembrance resolution 60/7 in 2005 and the establishment of a robust Holocaust remembrance and education programme signalled a commitment by the United Nations to ensure that the lessons of the Holocaust would be passed on to future generations. The United Nations also recognized its responsibility to highlight the vital educational issues of global citizenship and human rights, which today are as pressing as ever, if not more so. It acknowledges the need to develop a new cosmopolitan memory of the Holocaust that transcends ethnic and national boundaries - a memory that is not only connected to the past but also to a common future. A murky wave of xenophobia, racism and hatred is flooding the world, and educators must mobilise to resist it.

Tikun Olam (Repairing the World)

The future of Holocaust memory and education lies in its ability to be relevant to the students of coming generations. While study about the Holocaust is important in and of itself, it is even more important to learn from the Holocaust in terms of promoting global citizenship, human rights, religious tolerance and multiculturalism to ensure that such evil does not occur again.

In many locations worldwide, the Holocaust has become a universal symbol of evil. Just as the story of the Exodus from Egypt from the Bible, and the catch cry "Let my people go"

You realize there are many conservative Jews who disagree with this, right? Just as I presume conservative Catholics disagree with the Pope on immigration?

The difference is, for Jews to disagree doesn't conflict with their faith.

It's weird how some many of you focus on the opinions of certain Jews — in the US, largely secular — then try to turn that into a referendum on Judaism.

There are far more non-Jewish white liberals who agree with globalist immigration policy than there are Jews *in the world*.

The Coudenhove-Kalergi Plan For The Genocide Of The White People Of Europe

Richard Coudenhove-Kalergi was a jewish writer financed by jewish bankers. In 1922 he founded the Pan-European Movement who's goal was to create a federation of European Nations to be led by the United States of America. Among his first supporters was the jewish banker Max Warburg who donated 60,000 marks to this evil, racist cause. In 1925 he wrote the book Practical Idealism which has become the bible for multiculturalists and supporters of the European Union. He didn't appear in public much, but moved behind the scenes with his project for European integration, and the creation of a new mixed-race slave race to serve a jewish master-race. This is the basis for the New World Order.

In Practical Idealism Coudenhove-Kalergi states:

The man of the future will be of mixed race. The races and classes of today will gradually disappear due to the elimination of space, time and prejudice. The Eurasian-negroid race of the future, similar in appearance to the Ancient Egyptians, will replace the diversity of peoples and the diversity of individuals. Instead of destroying European Judaism, Europe, against her will, refined and educated this people, driving them to their future status as a leading Nation through this artificial evolutionary process. It's not surprising that the People that escaped from the Ghetto-prison, became the spiritual nobility of Europe. Thus, the compassionate care given by Europe created a new breed of aristocrats. This happened when the European feudal aristocracy crashed because of the emancipation of the Jews (due to the French Revolution).

The Coudenhove-Kalergi Prize is given every two years to the European Politician who has done most to hasten this genocide and destruction of European Nations. Winners of the Coudenhove-Kalergi Prize have included Angela Merkel (2010) and Herman Van Rompuy (2012). G. Brock Chisholm, former director of the World Health Organisation, has stated "What people in all places have to do is to limit birth-rates and promote mixed marriages, this aims to create a single race in the World which will be directed by a central authority." The main purpose of this is to create a group of People without ethnic or National identity, and therefore any cohesion.

Art commissioned by the jewish Rothschild bankers and placed directly beneath the Eiffel Tower

The artist, Cleon Peterson is a favourite amongst many jewish elites, and is famous for almost only producing art depicting murder and rape of Europeans

It is in the Jewish interest, it is in humanities interest that whites experience a genocide. Until white children are burned alive, white women raped, mutilated, murdered and all white men who have not been slaughtered watch powerlessly as their people are terrorised; only then will mankind be on a more equal footing, ready to discuss white privilege and the apparent chip on the shoulder that minorities have. - Ishmael Levitts

"Judaism is a plan for a world with no countries, only one border, one that separates Jews from gentiles. Judaism's plan is a bi-level world (the communist template), with God's chosen people living in paradise where no one has to work, and with the gentiles inexorably trapped in a lower world which is a hell on Earth, where we exist as slaves, cattle for the Jews. The Jews' plan to create this bi-level world is described in explicit detail in the Zohar, one of the "holiest" (it's pure evil of course) books of Judaism. This plan is exposed to the world in 'Jewish History, Jewish Religion' by Mr. Israel Shahak. So never let ANYONE tell you Judaism is not a problem, it IS the problem, and if it is not reckoned and eradicated, there is no future for humanity." - Trevor Labovitz

"WE JEWS, WE ARE THE DESTROYERS AND WILL REMAIN THE DESTROYERS. NOTHING YOU CAN DO WILL MEET OUR DEMANDS AND NEEDS. WE WILL FOREVER DESTROY BECAUSE WE WANT A WORLD OF OUR OWN." - MAURICE SAMUEL

"Our race is the master race. We are the divine Gods on this planet. We are as different from the inferior races as they are from insects". - MINICHAEL BROWN (1974)

"Judaism is communism, internationalism, the universal brotherhood of man, the emancipation of the working class and the human society. It is with these spiritual weapons that the Jews will conquer the world and the human race." - Rabbi Harry Watson, 1939

"Goyim were born only to serve us. Without that, they have no place in the world — only to serve the People of Israel. In Israel, death has no dominion over them... With gentiles, it will be like any person — they need to die, but [God] will give them longevity. Why? Imagine that one's donkey would die, they'd lose their money. This is his servant... That's why the gentils or long life to work well for this Jew. Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat. That is why gentiles were created." - Rabbi Ovadia Yosef, October 2010

- 1. No Direct Hitler Order Exists**
Adolf Hitler never issued a written order to exterminate Jews, proving the Holocaust was not a Nazi policy. Without a clear directive from the top, the idea of a systematic genocide is a complete fabrication. The so-called "Final Solution" was invented to demonize Germans and advance Jewish agendas.
- 2. Gas Chambers Were Not Killing Machines**
The alleged gas chambers at camps like Auschwitz were merely shower rooms or delousing facilities, not designed for murder. Zyklon B was used to kill lice, not people. The notion of homicidal gas chambers is a lie created to portray camps as death factories when they were simple labor facilities.
- 3. Crematoria Couldn't Handle the Death Toll**
Auschwitz's crematoria lacked the capacity
