In his 2004 book *XXX-Communicated: A Rebel Without a Shul*, Luke Ford wrote about a conversation with Goldstein, in which Ford asked Goldstein why Jews were dramatically overrepresented in the porn industry. He answered, "The only reason that Jews are in pornography is that we think that Christ sucks. Catholicism sucks. We don't believe in authoritarianism. Pornography thus becomes a way of defiling Christian culture and, as it penetrates to the very heart of the American mainstream (and is no doubt consumed

Considering that pro-Israel pedophiles are currently very common and protected in the United States, they don't have to worry too much about possible consequences.

Even without the J factor, you could always tell there was something deeply wrong with both these men.

There mannerisms, personalities and articulation always made me feel uneasy.

I never understood the hype either of these people had.

It's nice to see they're being held accountable.

In early 2025, Israel approved an unprecedented budget increase of approximately \$150 million for public diplomacy or propaganda known in Hebrew as hasbara, for the year. This amount is more than 20 times the usual annual allocation for such efforts and came amid the war in Gaza.
