▼ **\*\*THEY'RE FALLING FASTER THAN WE CAN COUNT.\*\***

**\*\*In the last 24 hours:\*\***

**\*\*Leslie Wexner\*\*** — billionaire founder of **\*\*Victoria's Secret\*\*** — **\*\*SUBPOENAED\*\***. He will be deposed by the House Oversight Committee. He gave Epstein **\*\*POWER OF ATTORNEY\*\*** over his entire \$5 billion fortune. He built Epstein's **\*\*\$77 million Manhattan mansion\*\***. For decades, nobody touched him. Now he's being dragged in under oath.

**\*\*Thomas Pritzker\*\*** — executive chairman of **\*\*Hyatt Hotels\*\*** — **\*\*STEPPED DOWN\*\***. The Pritzker family is worth **\*\*\$33 billion\*\***. One of the most powerful dynasties in America. Gone. In one day. No warning.

**\*\*Casey Wasserman\*\*** — chairman of the **\*\*2028 LA Olympics\*\*** — the Mayor of Los Angeles publicly demanded his **\*\*RESIGNATION\*\***. The man chosen to represent America on the world stage is an Epstein associate.

**\*\*UK Police\*\*** — now investigating **\*\*private flight records at Stansted Airport\*\*** after the files revealed Epstein flew in and out of Britain dozens of times. Former PM Gordon Brown flagged it. Scotland Yard is moving.

⚡ **\*\*180,000 IMAGES\*\***

The New York Times confirmed today: the Epstein files contain an estimated **\*\*180,000 photographs\*\***.

Not documents. Not emails.

**\*\*PHOTOGRAPHS.\*\***

Of what? Of whom? In what rooms? On what island?

They haven't told us yet.

But **Trump's DOJ has them ALL.**

And Bondi said: **"More is coming."**

Ask yourself: why are billionaires resigning BEFORE the photos drop?

**Because they know what's in them.**

**▲ THE SCOREBOARD — DAY 18**

Resignations: **20+**

Countries investigating: **8**

Criminal raids: **4**

Subpoenas issued: **12+**

UN declaration: **CRIMES AGAINST HUMANITY**

Obama had 8 years. **ZERO.**

Biden had 4 years. **ZERO.**

Trump needed **18 DAYS**.

And they're STILL falling. Every morning a new name. Every evening a new resignation.

**They can't stop it now.**

**▲ Nothing can stop what is coming.**

That's great, but a resignation is not enough. Raping children and all the other atrocities demand death penalties by guillotine or public hanging, or maybe wood shredders. We want them all punished and burned down. This evil needs to be stopped forever.

Arrests: 0

We're so far removed from reality that subpoenaing someone is actually considered as getting "results."
