That's punishable by Article 92 of the UCMJ if he is active duty. I'm sure some of you knew that before you open your mouth.

The way they are treating him for speaking out and using his first amendment right is disturbing. If this can happen to a military member in uniform, imagine what they're going to do to us.

Everyone needs to speak out, they can't arrest us all. This man is a patriot.

a marine corps veteran getting dragged out of a hearing about a war that marines might get sent to fight. the irony of silencing the exact people who have to carry out these decisions is something that should disturb everyone regardless of politics

endless war Trump swore not to start, is powerful imagery.

I love it when these accounts purposely misrepresent the facts to push their agenda. He was totally physically restrained because he was protesting Israel 🤔, totally not because he was being wildly disruptive and refused to leave when told.

Former Marine Sergeant Brian McGuinness stood up and said how 10s of millions of Americans feel about this war on behalf of Israel. Iran is NO THREAT to the United States. There's a gigantic ocean separating us.

Is Israel going to pay for this??? ISRAEL NEEDS TO PAY FOR THIS! I'm sick of this fucking shit of doing things FREE for the RICH country of Israel while Americans are pinching pennies, eating cheap, unhealthy, processed foods because they CAN'T AFFORD healthy food. They can't afford utilities, rents, healthcare and basics. Do the conniving Israelis care? Of course not! Let me hear of either Democrats or Republicans kissing Israeli ass and taking AIPAC donations. I won't vote for you and will encourage others not to. Our troops have been killed for Israel. It matters to me. I have a heart that's beating.

I heard that sickening snap and crack on that video and I know that Marine's hand is broken. A marine. The few, the proud, a balls of steel MARINE! If Israel wants a pissing contest with the Middle East let them have at it. But LEAVE AMERICA and our sacred, beloved troops OUT OF IT! FUCK Israel. They're NOTHING to the USA.

That Marine was expressing his 1st Amendment Rights, which he's put the uniform on and defended and got a broken hand for it. This walking on eggshells for Israel needs to STOP 🛑. Israel can FUCK OFF and FIGHT THEIR OWN WAR, sans USA!

Be patient, everyone. As hard as this video is to watch, God sees what they're doing. He knows everything - every single secret and lie. He hears all our cries. There will be justice. We're already seeing so much being unraveled in real time. Remember - Jesus wins. Pray 🙏
