## Meet Mr Poo - India's anti-public defecation mascot from Unicef

Though the video is light-hearted; the issue is a serious one

Rob Williams • Wednesday 16 April 2014 12:08 BST •  Comments

Meet Mr Poo: The lumpy, brown anthropomorphised faeces that is the face of Unicef's latest public health campaign in India.

Canada is a Christian country.

Take your demon Gods away from here.

If your culture is Canada's future, Canada will become a total shithole like India.

Mass deportations essential.

Mass boycotts of their smelly business.

We must disrupt their money making ability at every turn.

They are the leeches of society.

The way you made India mess, place of hell with garbage, pitholes, tobacco spits across every street of india. We cant let you pollute canada the way you created India after 1947.

If u want future of canada, go back. We dont need 3rd world think tank to make canada third world
