These are the most obscene lyrics ever to be performed at a Super Bowl half time. And you have professing Christians in the Kentucky senate and at America's most recognized evangelical magazine saying Christians should have embraced and celebrated this to show love and to show that we are welcoming. Also, the kids would get a "kick" out of hearing this Spanish.

[Verse 2: Nengo Flow]
Real G, guiding the new generations with the OG one
Galactic style lust
Yes, so that your panties get wet
Get horny and versatile
More slutty than Betty Boop
The one who got horny, mami, was you
I stay killing with the U
Pussy with dick, dick with ass (Push it in)
Pu-pussy with dick, dick with ass, yes (Push it in)
Pussy with dick, dick with ass (Push it in)
Your tits rubbing my nipples (Push it in)
This year I don't want sluts (Push it in)
They see you with a lot of jewels and they want to stay (Push it in)
They see you really active and they want to stay (Push it in)
Because you look hot, because you look hot (Push it in me completely)
Really big tits like Lourdes Chacón
Really big ass like Iris Chacón
I don't know why I haven't seen the pussy
But let's go to bed to fuck you in panties

(iArr-ugh!)
Mami, what do you want? Your shark has arrived
I want to grind on you and smoke a blunt
To see what is hidden in your pants
I want to grind on you and grind on you and grind on you (Hard, hard)
I-I-I want to grind on you and smoke a blunt (Hard, hard)
I want to grind on you and grind on you and grind (Hard, hard)
I-I-I want to grind on you and smoke a blunt, -e a blunt (Hard, hard)
The ecstasy is already kicking in
The girl bounced while dancing
That ass deserves it all, deserves it all, deserves it all, yes
That ass deserves it all, deserves it all, deserves it all (Ayy, ayy, ayy, ayy, ayy)
[Interlude: Bad Bunny]
Ah! I thought it was getting slower
It's all good, all good, we'll start fresh, start fresh
Look at Orma, look at Orma, he's horny
Hahahaha (Hahahaha, hahahaha)

[Verse 4: Bad Bunny]
My dick is being chased and I want you to hide it
Grab it like a bonga
She took a pill that made her horny
She fucks in the Audi, not in the Honda, ayy (Tra)
If I give it to you, don't call me (Tra)
'Cause this is not to make you love me, ayy (Tra)
If your boyfriend doesn't eat your ass
He better fuck off
[Bridge: Bad Bunny]
Come down to my house, I'll lick it all up
Mami, I'll lick it all up
Come down to my house, I'll wear you out, ayy
I'll wear you out
Come down to my house, I'll lick it all up (Papi, keep going!)
Mami, I'll lick it all up (Papi, keep going!)
Tell me, servant (Papi, keep going)
If you smoke weed (Papi, pa-papi)

[Verse 5: Jowell]
Jowell, baby, baby, baby, haha, hahahahaha!
The dealer is twerking (Hard!)
It seems like she fucks well while high
I want to take a selfie with that huge ass (Tra, tra; wow)
Erect, erect, I'm erect, and it shows (Woh, woh)
What are we gonna do with that huge ass? (What?)
In university they're all A, A, A (Tra)
But those tits are C
You are super horny (Woo), mami, I already know (Eh)
I'm also horny (Tra), what are we gonna do? (You know, eh)
With that bum-bum, go crazy, bum-bum
Go crazy with that bum-bum, go crazy, bum-bum
If you have that bum-bum, go crazy, bum-bum
If you have that bum-bum, go crazy, buoh!

Normally I don't get shocked and appalled but c'mon. Absolutely no subtlety, no class, just fire hosing vulgarity. Yeah I'll clutch my pearls a little.

Absolutely sick. And I'm sure that's why I have some Puerto Ricans in my mentions upset that the media in the NFL is pretending that this is representative of Puerto Rican culture

Thankfully, most viewers--I didn't--had no idea what was being said. Sadly, our nation's at a point where someone like this was even considered, much less chosen. It's so important that true Christians remain salt and light. The darker it is, the brighter the light shines.

Per Google: Jay-Z, through his entertainment company Roc Nation, has been the primary celebrity in charge of selecting the NFL Super Bowl halftime entertainment since 2019. As the league's live music strategist, Jay-Z holds the ultimate say in choosing the headliners, including Bad Bunny for 2026. Key Decision Maker: Roc Nation, led by Jay-Z, selects the performers to focus on culture and high-profile acts.

Except they were not performed.

I enjoyed the TPUSA show, but it seems like the controversy over Bad Bunny was blown out of proportion.

At the same time, the NFL could have headed off a lot of it if they had clarified in advance that the show would be clean.

Thanks for your commitment to the truth. We're told in scripture that tares will be a reality for the church but that doesn't make it any less painful. The sin of pride is so alluring that many get trapped in their empty virtue signaling, thinking sanctification is having the world love you. Sometimes 'Christians' are their own worse enemy.

There is no way this "twerk-a-thon" would have made it through the FCC with these lyrics; hence his renditions in Spanish.
