This is Charles Kushner, Jared Kushner's dad. Who does this remind you of? Where did he learn these tricks?

"Kushner admitted to retaliation against his brother-in-law, William Schulder, who was cooperating with federal investigators... He plotted to hire a sex worker to seduce Schulder and have video evidence sent to his sister, Esther, Schulder's wife. Chris Christie, then the U.S. attorney for the District of New Jersey, has called the case "one of the most loathsome, disgusting crimes" he'd prosecuted. Kusher was sentenced to two years in prison. He served 14 months at a federal prison in Alabama and completed his sentence at a halfway house in Newark, N.J., until his release in August 2006. A graduate of Hofstra University School of Law, he was also disbarred and prohibited from practicing law in New Jersey, New York and Pennsylvania after becoming a convicted felon." - Meredith Kile - People

I think his marriage with ivanka was a jew mafia plot where j kurshner was used to infiltrate the trumps by marrying ivanka
Did they foresee trump will get in politics?
-¿? but definitely the trumps were targeted for some reason and ivanka converted to jew not seeing the plot

When the Middle East goes full nuclear war, will his name be in the history books, if there are any historians left to write about the coming event?

“The Holocaust could have been prevented. We know it could not have taken place had the Jewish state been established a few years earlier,” the prime minister, Benjamin Netanyahu, said in 1998, standing amid the ruins of an Auschwitz-Birkenau crematory. He had just led Mr. Kushner and thousands of other teenagers waving Israeli flags in a procession through the camp’s gates and past the barracks. As part of the [commemoration](#), the group would soon leave Poland and fly to Israel, to complete the journey from slaughter to Zionist rebirth.

Back then, Mr. Kushner was a high school basketball player, a Billy Joel fan, a quiz team manager and no one’s guess to become a negotiating partner with Mr. Netanyahu. But unlike other students on the trip, he knew the prime minister, who was friendly with his father, a real estate developer and donor to Israeli causes. Mr. Netanyahu had even stayed at the Kushners’ home in New Jersey, sleeping in Jared’s bedroom. (The teenager moved to the basement that night.)

A Jewish, Zionist mafia has gained control of our government.

They have positioned people all over the country - in government large and small - to work for Israeli/Jewish interests at every chance.

They are criminals. They do not respect any restraints on taking what they want - no law, no custom, no morality (except the "Jewish morality" their rabbis extol).

They need to be purged from society. The kushners, Rothschilds, Epstein's, Maxwell's, etc. They are degenerate inbred trolls that must be kicked out of the country.
